

30.05.2017

Admission Test for Physics (Hons)-2017

Admission Test : *For all applicants (both from General and reserved categories)*

Date of admission test : 17.06.2017
Time : 1:30 pm to 3:30 pm
Reporting Time : 1:00 pm
Venue : Main Building, Scottish Church College

1. Candidates must bring the admit card that was generated after submission of the application form

2. Scientific calculator is allowed.

Final merit list will be prepared on the basis of the index marks calculated as:

Index Marks = 40% marks of Physics and Mathematics taken together in (10+2) + 60% of the marks obtained in admission test.

Note: Please ensure that the Admit Card for the Admission Test with the passport size photograph of the candidate (for all categories) is generated after online submission of the application form.

Example:

Marks obtained in Physics(out of 100) (**P**) : 86

Marks obtained in Mathematics (out of 100) (**M**) : 80

% of marks in Physics and Mathematics taken together (**PM = (P+M)/2**) : 83

Marks obtained in Admission Test (out of 50) (**A**) : 30

% of marks in Admission Test (**PA**) : 60

40% of (**PM**) = $0.4 \times 83 = 33.2$

60% of (**PA**) = $0.6 \times 60 = 36.0$

Thus, Index marks = 69.2

$$\text{Index Marks} = (P+M) \times 0.2 + A \times 1.2$$
